

**NOTICE OF INTENT TO APPROVE
PRETREATMENT PROGRAM
DUCKETT CREEK SEWER DISTRICT
MO-001165 and MO-0008472**

DATE: September 6, 2024

In accordance with the Missouri Clean Water Law, Chapter 644, RSMo and the Federal Clean Water Act, the Duckett Creek Sewer District has requested approval to implement and enforce a Pretreatment Program to regulate industrial discharges to the district's wastewater treatment facilities. The Missouri Department of Natural Resources has reviewed the pretreatment program submittal to meet the requirements of 40 CFR Part 403 and 10 CSR 20-6.100. The department, as Approval Authority, intends to grant its approval as required by 40 CFR 403.11 and 10 CSR 20-6.100.

Interested parties may review the proposed program at the Department of Natural Resources, 1101 Riverside Drive, Jefferson City, MO, or at the Duckett Creek Sewer District office, 3550 Highway K, O' Fallon, MO 63368. Copies of the pretreatment program submission and other information including copies of applicable regulations are available for inspection and copying at the department's Website: <http://www.dnr.mo.gov/env/wpp/pretreatment.htm>.

Persons wishing to comment on the proposed pretreatment program are invited to submit them in writing to: Department of Natural Resources, Water Protection Program, P.O. Box 176, Jefferson City, MO 65102, ATTN: Pretreatment Coordinator. **Please include the permit number in all comment letters.**

Comments should be confined to the issues relating to the proposed action. The department may not consider as relevant comments or objections based on issues outside the authority of the Missouri Clean Water Commission.

All comments must be received or postmarked by 5:00 p.m. on October 7, 2024. The department will consider all written comments, including e-mails, faxes and letters, in the final determinations regarding the approval. Email comments will be accepted at the following address: Pretreatment@dnr.mo.gov. The notice of request for approval under §403.11(b)(1) states that the request will be approved if no comments are received by a date specified in the notice; no substantive comments are received; and the request is approved without change.
