

2.020.10

1. The District shall not be liable to any Customer or to any third person for any damage resulting from any failure to remove wastewater, from any interruption of sewer service, from any wastewater backup or from any other malfunction of the District's sanitary sewer system caused solely by storm water, acts of God (i.e. storms, floods, tornadoes), vandalism or other acts which could not be anticipated and/or controlled by the District.
2. The District shall not be liable to any Customer or to any third person for any damages caused by defective piping and/or appliances on the Customer's premises, nor shall the District be liable for damages to, or making repairs on, any broken sewer mains and/or appurtenances for which it is not the legal owner or for which the contributor has failed to provide proper and adequate easements.
3. The District shall accept monetary liability of up to \$5,000 for damages to private property when any contributing factor can be traced to a problem with District equipment.
4. The District shall accept monetary liability of damage to personal property if the damage was caused solely by intentional or unintentional negligence of the District and without any negligence on the part of the Customer or third party.
5. Employees or agents of the District are expressly forbidden to demand or accept any payment or compensation for any service rendered to its Customers except as covered in these Rules and Regulations. No employee or agent of the District shall have the right or authority to bind it by any promise, agreement or representation contrary to the letter or intent of these Rules and Regulations or not provided for in these Rules and Regulations, unless such authority is in writing and is signed by the authorized representative or agent of the District.
